Message from our founder

On behalf of the ministry, I am grateful for your impact on church leaders and families in East Africa.

Raising Hands Ministries has been positioned in many ways to reach out to the "least and the lost" of Sub-Saharan Africa, as few others. Our primary purpose is to equip church leaders and pastors in rural areas to teach the Word of God more effectively and do ministry within their respective communities.

However, God has asked us to do more within the very communities where these pastors and church leaders do life.

Prayer Request

Pastor Steve Ernest plans to return to Uganda by the middle of September. He's been going to East Africa since 2015 and has witnessed God's power on numerous ministry trips. Pastor Steve has often said; that prayer is the primary ingredient for a spiritually successful ministry trip.

Here is one way you can pray for our RAISING HANDS MINISTRIES team, and it's centered in Ephesians 6:19: "Pray for Pastor Steve Ernest, Alex Messamore, and the other team members; that the message may be given to them whenever they open their mouths to make known with BOLDNESS the mystery of the gospel." There's a reason Paul's prayer for spiritual boldness in proclaiming the gospel followed his discussion of Christian armor and spiritual warfare. Because ministry trips are not for the spiritually weak--they require a recognition of the spiritual war we face. So PRAY that the RHMI team will be spiritually prepared for the WORK and WAR they will face.

PASTOR'S TRAINING

For the past years, Raising Hands Ministries has done whatever it takes to equip church leaders to communicate the pure gospel with passion and effectively lead churches through the "deep waters" of our time. The ministry has actively conducted and supported training and various conferences to raise an army of national leaders, strong in the Word of God and touched by the Spirit of God, who will effectively impact East Africa with the gospel of Jesus Christ. Multiple times over, we have encountered men with a strong calling from the Lord to do ministry. Yet, lacking the knowledge and practical skills necessary to move into their calling and be effective therein. 2 Timothy 2:15 states, "Study to show yourself approved to God, a workman that needs not to be ashamed, rightly dividing the word of truth."

Evangelism

Following the March 2022 crusade in Nansololo, Uganda, several local churches have doubled attendance; people continue to come to faith in Jesus every week. Since the onset of the FAN INTO FLAME CRUSADE in March, 435 people have confessed allegiance to Jesus. Twenty-nine (29) national pastors have joined forces, moving like a mighty army, to reach the "least and the lost" with the Good News of Jesus Christ.

Even now, RHMI is prayerfully planning a second crusade in another isolated region of Uganda before the year's end.
